MAP TO VAN/N

From Corinth take the Hwy 45 Bypass to the Hwy 2 (Henson Road) exit. Go east on Hwy 2 (through the 4-way stop). Keep going straight when Hwy 2 becomes Hwy 350. Continue on 350 until it dead ends into Hwy 25. Take a left onto Hwy 25 North, which will become Hwy 57 at the Tennessee line, soon after you pass Aqua Yacht Harbor. After you pass Jon's Pier Restaurant on your right, you will top a hill and see Pickwick Supermarket ahead on your left. Turn right on YMCA Lane and then bear right at every major intersection (follow the double yellow lines). You will remain on YMCA Lane until you turn right on Caney HLW Road. After you have traveled a little over 2 miles (5/10 from your turn onto Caney HLW Road) you will top a hill and turn left onto River Cliff Lane. Follow this road past 2 stone buildings and take the sharp left back along the river. Keep going a short distance until it dead ends; take a left onto Carnell Way, past the marina up the hill and turn right. VAN/N is the cabin to the left (# 815). If you have any problems, call 731-689-5491.
